

Want to take part in marking the path?

1. Download a stencil in your preferred language
2. Print it to your home printer
3. Cut out the Guava and letters along the line
4. Choose a location between the two cities
5. Spray the Guava
6. Take a Picture
7. Upload it to the website

–  
Each picture you upload will be posted on the website to mark the road on the online map.
